

TENDER NOTICE
for
Fabrication of Automatic Injection Mould
for
Indian Jute Industries' Research Association (IJIRA)

Introduction:

IJIRA is a premium research organization linked to Ministry of Textiles, Govt. of India, engaged in R&D activities with the objective of rendering scientific and technical assistance to the jute industries.

Scope of work:

Fabrication of Automatic Injection Mould for producing plastic sheet of dimension 280 mm x 220 mm x 4 mm – 1 unit

Details of tender:

Indian Jute Industries' Research Association (IJIRA) invites quotations (price with technical details) from the potential fabricators/ manufacturer for fabrication of mould of following specifications/ requirements.

Necessary requirements:

- a) Mould for automatic Injection Moulding machine
- b) Final dimension of moulded plastic sheet from the mould will be 280 mm x 220 mm x 4 mm
- c) Tolerance: minimum possible
- d) Hard chrome plated inner surface
- e) Polymers to be processed - LDPE, LLDPE, HDPE & PP
- f) In-plant trial prior to final approval and delivery

Quotations to be submitted in sealed envelope quoting the advertisement '**Fabrication of Automatic Injection Mould for plastic sheet of dimension 280 mm x 220 mm x 4 mm**' and **the name of the fabricators/ manufacturer** on or before **17.00 hours on 29/04/2016**.

Address for submission of tender:

To
The Director,
Indian Jute Industries' Research Association,
17, Taratala Road, Kolkata – 700 088
