GOPAL MUKHOPADHYAY

Telephone : 033-66269263 (O),

Mobile : 09433985975

Fax: 033-66269204

E-mail: gopal.mukhopadhyay@ijira.org

Designation	Technical Officer (Grade-3)
Educational Qualifications:	B. Tech in Fibre Technology(CU), Diploma in Jute Technology(CU), B.Sc.(CU), AMIE
Experience Institution(s) served	14 years ( Industrial and R&D Experience)
Awards, achievements	
Areas of Specialization	Mechanical Processing of Jute Fibre New product development for diversified Jute products Machine design and development Preparation of various norms Inspection and machine audit
Publications in leading journals/books published	1. <b>Energy efficient novel sizing of jute yarn</b> - Journal of Natural Fibres, 2014- S. K. Chakrabarti, S. G. Saha, S. Basu, P. Sanyal, G. Mukhopadhyay, S. De and P. Ray (In print) 2. <b>Studies on Relationship among Seam Strength, Weft-way Fabric Strength and Stitch Density of B. Twill Jute Bag</b> - Indian Journal of Fibre and Textile Research, 2014-Palash Paul, Partha Sanyal, Soumita Chowdhury, Gopal Mukhopadhyay, Debiprasad Gon and Koushik Das (In print)
Patents obtained applied, if any. Give details	
Technologies on offer	Mechanical Processing of Jute Fibre
Technical support that can be offered (Sector wise)	Process control Study and Quality assessment in Jute Sector Skill Development programme for the Staff & Workers in Jute mill Study of Occupational Health & Safety Measurement in Jute Sector Implementation of Modified RBO Technology Implementation of Novel Sizing Technology
Institution(served)	Technical Officer (Grade – 3), Indian Jute Industries’ Research Association (October 2011- Till now) Asst. Manager (Mill Side), Ganges Jute Private Limited (July 2009 – October 2011) In charge- Export & Diversification, Ambica Jute Mills Limited

(September 2003 – June 2009)  
Mill-side Assistant, Kajaria Yarn & Twines Limited  
(September 2001 – August 2003)
